REVISED FEES FOR LICENSING APPLICATIONS

NON-MARYLAND RESIDENT APPLICANT - FEE SCHEDULE

On occasion, out-of-state or non-Maryland residents are required to submit fingerprints to the Maryland State Police as part of an application process. Initial applications require submission of fingerprints to both the State, of Maryland and Federal Bureau of Investigation for comparison in fingerprint-based criminal history records systems.

If you are an out-of-state resident, supported by a valid out-of-state driver's license, The Maryland State Police will continue to accept rolled ink fingerprint cards. Only out-of-state residents may submit inked rolled fingerprints.

Applicants submitting **FINGERPRINT CARDS** (inked and rolled) for federal and/or criminal record checks for Permits, Licenses, Commissions or any other type of certification or identification related to Licensing Division activities and/or responsibilities, via **FINGERPRINT CARD** submissions, are required to submit the fee for both the fingerprint and application processes.

ONLY ONE set of fingerprint card(s) will be needed for the initial application process. Dual applications, defined as one applicant applying for two separate permits and/or licenses, will require the submission of ONE SET of fingerprints card(s) with the application. Applicants submitting dual applications must submit a separate check or money order for each permit and/or license being sought.

APPLICATIONS ACCOMPANIED BY FINGERPRINT CARDS SHOULD BE FORWARDED TO THE MARYLAND STATE POLICE, ACCOMPANIED BY A CHECK OR MONEY ORDER, PAYABLE TO THE MARYLAND STATE POLICE IN THE AMOUNT OF THE BELOW-LISTED APPLICABLE APPLICATION FEE(S):
