<u>Announcements</u>

Any firearm approved at this meeting will be published in the Maryland Register on March 26, 2021 and, barring no objections, will be included on the Maryland State Police website on April 25, 2021 as a handgun, model and caliber legal for sale in the State of Maryland.

Additional Discussions

Smart Gun Report

The Board was reminded that the Smart Gun Report is due July 1st and must be completed to vote on at the June meeting. Board Member Robinson volunteered to assume the lead for this year's research and reported findings. The Board suggested to Board Member Robinson to contact former MSP Superintendent David Mitchell. Board Member Robinson also mentioned he would be contacting various manufacturers and law enforcement agencies. Board Member Robinson informed the other Board members to send any of their findings to him by Mid-May and he will send out the collective report to all for review.

New Board Members

Present at the meeting was Ms. Jennifer Gill, the newly appointed Mechanical or Electrical Engineer appointed to fill the vacancy created by Mr. James Laughland. She was introduced to her fellow board members, and having been previously briefed on the Board's procedures and agenda, participated in the days voting.

The Board examined a sample and received an oral and written report from MSP Firearms/Toolmarks Examiner. Consideration of the firearm was based on the criteria established in Statue; concealability, ballistic accuracy, weight, quality of material, quality of manufacture, reliably as to safety, caliber, detectability and utility for legitimate sporting activities, self-protection or law enforcement.

The Board voted unanimously to approve the firearm in all the above mentioned calibers as it meets the criteria stated in statute.
