MACHINE GUN REGISTRATION

On Wednesday, May 10, 2017, the Maryland State Police, Licensing Division, will no longer accept the current electronic Machine Gun Registration/Renewal Form. This temporary pause in accepting electronic submissions is being made in an effort to improve customer service by developing a new electronic submission platform, which will be based in the new Licensing Portal. If you have already submitted online, prior to May 10, 2017, no further action is required, and your application will be processed accordingly.

The 2017/2018 Annual Machine Gun Registration will return to the former paper application, while the electronic Machine Gun Registration process is redesigned with the intention of returning in the Licensing Portal during the 2018/2019 Machine Gun Registration period.

The Maryland State Police is sending all machine gun owners, who registered in 2016, a paper copy of the Annual Machine Gun Registration Form. These forms will be sent, via US Mail, to the address provided during the 2016/2017 Machine Gun Registration/Renewal. You may choose to wait for the paper copy, or you may immediately download the Initial Machine Gun Registration Form or the Annual Machine Gun Registration Form from our website at the link below.

The Maryland State Police would like to thank Maryland's machine gun owners for their continued patience and understanding while we continue to improve the Machine Gun Registration process in Maryland. Should you have any questions or concerns, you may contact Sergeant Jason Edwards or Sergeant Donald Pickle at 410-653-4500. In addition, Regulated Firearms Dealers may contact us using the LiveHelp feature within the Licensing Portal.
