UPDATE – LICENSING DIVISION’S PORTAL

On Thursday, April 27, 2017, the Maryland Department of State Police, Licensing Division, released the latest update to the Licensing Division’s Portal. This update is a direct result of multiple requests from Maryland’s Regulated Firearms Dealers. We have added a new feature for your use - the ability to print documents attached to an application. This will allow you to have a 'complete' record of any supplemental documents attached during the application process at your store.

Additionally, Maryland’s Regulated Firearms Dealers will observe a new application disposition (Overturned – Not Disapproved). This disposition will be applied to an application where the original disposition was Disapproved, but further information was discovered or provided that cleared the prohibiting offense.

Should you have any questions regarding the latest update, please contact Sergeant Donald Pickle or Sergeant Jason Edwards, of the Firearms Registration Unit, at 410-653-4500, or you may obtain assistance by accessing the Livehelp feature from within your Licensing Division’s Portal.
